WELCOME

JWB Performance Horses would like to welcome you to Central Texas's largest and most elite performance horse training program! Headed by H.O.T. Equestrian Academy owner Jennifer Matthews Williams, JWB is the only performance horse training barn in Central Texas for both horse *and* rider. We offer a complete program of board, nutrition, training rides, lessons, and competitions for all experience levels. Our goal is to turn every client and their mount into champions.

Under the direction of Jennifer, Western riders work on ranch riding patterns, reining maneuvers, flag and live cow work, and trail. Clients have the opportunity to compete in any of the approximately 15 shows JWB attends each season.

As a general rule, please:

- Make sure all tack is cleaned and oiled
- Pack all of your tack, brushes, riding apparel, helmets, horse boots, etc. in the trailer well before the show so nothing is forgotten

- Arrive to the show/meeting place on time or early, well rested, and ready to shine

HORSE SHOW CONDUCT

We are adamant about the conduct expected at horse shows. When we are at a show, we are on display in the way we handle our horses *and* how we handle the competitive atmosphere. Our expectations are as follows:

1. It is very expensive for parents to send their children to shows. Students riding with JWB are expected to appreciate the privilege they've been given. Be rested and prepared to ride to your ability.
2. We will not tolerate students – youth or adults – to treat us, their parents, or their horse in a disrespectful manner. We believe in self-control when it relates to “attitude abuse” of the horses, trainers, or the people paying the bills.
3. Parents – Please understand that showing can be very stressful for the rider. We will prepare your child for their show classes and ask that you encourage your child, take photos, and provide support and enthusiasm from the bleachers.
4. When we sign your entry forms, we are responsible for you. We take this very seriously. Please try to make our jobs easier by following show rules, paying fees early, etc.
5. The barn area and tack rooms must be kept clean. Put everything away as you use it – don't plan to do it later or expect someone else to do it for you.
6. At 2+ day shows we (along with volunteers) are responsible for stall cleaning and feeding.
7. Payment for shows is due one week prior the show date.
8. There will be times when things go wrong either for you or for us. If you encounter a problem at or in the ring, please control your temper and vocabulary until we are away from the back/entry gate. Emotions tend to run hot at competitions so having a cool off time is a wise choice. After that, please inform us so we can work towards a solution.

HORSE SHOW DRESS CODE

The following is the standard dress code for Western horse shows. When not riding, we encourage you to wear your JWB Performance Horses t-shirts, hats, and jackets around the show grounds. Some sanctioned and upper-level shows require more formal or specific attire than what is listed below – Jennifer will discuss this with you prior to your show.

- Button-up show shirt – any color
- Jeans
- Belt
- Chaps, if necessary
- Cowboy boots
- Cowboy Hat or helmet
- Long hair pulled back

The OWNER shall promptly pay all expenses for all services.

H. INHERENT RISKS WARNING AND NATURE OF THE HORSE.

Horseback riding and horse driving is classified as RUGGED ADVENTURE RECREATIONAL SPORT ACTIVITY, and there are numerous obvious and non-obvious inherent risks always present in such activity despite all safety precautions. No horse is a completely safe horse. Horses are 5-15 times larger, 20-40 times more powerful, and 3-4 times faster than a human. If a rider falls from horse to ground it will generally be at a distance of from 3.5 to 5.5 feet and the impact may result in injury to the rider. Horseback riding/horse driving is the only sport where one much smaller, weaker predator animal (the human) tries to control and become one unit of movement with another much larger, stronger prey animal (the horse) with each having a limited understanding of the other. If a horse is frightened or provoked it may divert from its training and act according to its natural survival instincts which may include, but are not limited to: stopping short; changing direction or speed at will; shifting its weight from side to side; bucking; rearing; biting; kicking; or running from danger.

I. RIDING HELMENT WARNING.

I understand that all horse handlers and riders should purchase and wear protective headgear which meets or exceeds the quality standards of the SEI CERTIFIED ASTM STANDARD F 1163 Equestrian Helmet, while riding and being near horses and I do understand that the wearing of such headgear at these times may reduce severity of some of the wearer's head injuries and possibly prevent the wearer's death from happening as the result of a fall and other occurrences.

J. DIRECT LOSS TO PERSONAL PROPERTY WARNING.

OWNER is hereby warned that while on TRAINER's premises direct loss of damage, theft, or injury to OWNER's horses, tack, equipment, and trailer is **not** covered by TRAINER's insurance. The OWNER, having the financial interest in such items, must carry his own personal property insurance under a homeowner's, tenant's, or other insurance policy, or under a separate policy as in the case of the loss of a horse.

K. OWNER ACCEPTANCE OF RESPONSIBILITY.

During the time that the horses are being trained the horses shall be in the custody of the TRAINER. OWNER has inspected the TRAINER's premises and is satisfied that the conditions of the premises and the facilities will provide adequate and reasonable level of safety for OWNER's horses. TRAINER will exercise reasonable care for the protection of the horses and shall train the animals to the best of his ability. It is understood that each animal is unique and the TRAINER cannot guarantee the results or degree to which the horses will be trained. OWNER further understands that the training of a horse involves the placing of above normal stresses on the horses both physically and mentally and that the TRAINER is in no way responsible for the results of the reasonable levels of stress which could potentially cause injury, illness and/ or loss of horses by death. OWNER further agrees to be responsible for any and all damages, injuries, loss of life caused by or to the animals while in the control of the OWNER, OWNER's family members, invitees or other handlers or agents appointed by them, and also for any acts of the horses caused by vices or dangerous behavior not disclosed to the TRAINER by OWNER. OWNER agrees to maintain personal liability insurance on the horses and to provide the TRAINER with proof of same. OWNER is also responsible for accidents, injuries, and loss of life sustained by OWNER, OWNER's family members, invitees and agents caused by or in relation to the OWNER's horses. OWNER agrees to at all times maintain adequate accident/medical insurance to cover OWNER and family members.

L. RELEASE OF LIABILITY.

In consideration of the TRAINER undertaking the training and incidental services under the terms set forth herein, I, the undersigned OWNER, do agree to hold harmless and release the TRAINER, TRAINER's agents, employees, officers, directors, representatives, assignees, members, premises owners, affiliated organizations, insurers, and others acting on TRAINER's behalf (hereinafter, collectively referred to as "Associates") of all claims, demands, causes of action, and legal liability, whether the same be known or unknown, anticipated or unanticipated, due to TRAINER's and/or its associated ordinary negligence; and I do further agree that except in the event of the TRAINER's gross negligence and willful and wanton misconduct, I shall not bring any claims, demands, legal actions and causes of action, against the TRAINER and TRAINER's Associates as stated above in the clause for any economic and non-economic losses due to bodily injury, death, property damage, and injury to the animals and/or by me and/or my minor child or legal ward, in relation to the premises and operations of the TRAINER.

M. RISK OF LOSS AND STANDARD OF CARE.

DURING THE TIME THAT THE HORSE(S) IS/ARE IN CUSTODY OF THE STABLE, THE STABLE SHALL NOT BE LIABLE FOR ANY SICKNESS, DISEASE, ESTRAY, THEFT, DEATH, OR INJURY WHICH MAY BE SUFFERED BY THE HORSE(S) OR ANY OTHER CAUSE OF ACTION WHATSOEVER, ARISING OUT OF OR BEING CONNECTED IN ANY WAY WITH THE BOARDING OF SAID HORSE(S), EXCEPT IN THE EVENT OF NEGLIGENCE ON THE PART OF STABLE, ITS AGENTS, AND/OR EMPLOYEES. This includes, but is not limited to, any personal injury or disability the horse OWNER or OWNER's guest, may receive on Stable's premises. The OWNER fully understands that Stable does not carry any insurance on any horse(s) not owned by it for boarding or for any other purposes, whether public liability, accidental injury, theft or equine mortality.

N. AGREEMENT SCOPE AND TERRITORY.

This agreement shall be legally binding upon the TRAINER and the OWNER and OWNER's parents or legal guardians, should Owner be a minor, when signed by both parties. This agreement is entered into in the state and county of domicile of the TRAINER and will be interpreted and enforced under the laws of THIS STATE. Any disputes by the OWNER shall be litigated in and venue shall be the county in which THIS STABLE is physically located. If any clause, phrase or word is in conflict with Texas State Law then that single part is null and void.

O. OWNER RIGHT OF TERMINATION.

Upon _____ days written notice to the TRAINER, after minimum training period of _____ days the OWNER may terminate this agreement for any reason. Termination date will be the 30 days from date of notice. After all fees have been paid in full this agreement is concluded. Failure to pay training and other fees as due shall also entitle TRAINER to immediately terminate this agreement and to keep the animals in the TRAINER's possession until all fees and charges are paid in full.

P. OWNER'S AGREEMENT.

I understand that the training and boarding fees will be paid in advance for each month, and all incidental cost will be billed to me at the time of occurrence and that I am responsible for those charges by the end of that month. I hereby grant a lien against my horse to Heart of Texas Equestrian Academy, LLC dba JWB Performance Horses for all unpaid charges. The above horse, to the best of my knowledge, has not been exposed to any contagious or infectious disease for two weeks prior to this boarding date.

Q. TRAINING OF HORSE.

The TRAINER shall train horse and perform all services in accordance with generally accepted professional standards. TRAINER cannot and does not guarantee the effect of the training program or that any particular results will be achieved, since this depends a great deal on the individual physical and mental ability of each horse. TRAINER shall furnish all labor, provide suitable facilities and care for horse in an adequate manner with feed being determined by the TRAINER. The TRAINER has complete control over the manner of training and shall take all precautions for the proper performance thereof.

R. BOARDING.

The above horse will be kept in outdoor paddocks, pasture and/or indoor stall and will receive water, grain and hay in amounts that TRAINER determines will be beneficial to the above horse's training program unless otherwise stated.

S. ADDITIONAL AGREEMENTS.
